The Word

By: Ella Wheeler Wilcox

Oh, a word is a gem, or a stone, or a song,
Or a flame, or a two-edged sword;
Or a rose in bloom, or a sweet perfume,
Or a drop of gall is a word.

You may choose your word like a connoisseur,
And polish it up with art,
But the word that sways, and stirs, and stays,
Is the word that comes from the heart.

You may work on your word a thousand weeks,
But it will not glow like one
That all unsought, leaps forth white hot,
When the fountains of feeling run.
